A close-up photograph of a black and white calibration target. The target features a grid of characters, including the letters 'E' and 'F' in various sizes, and the numbers '20', '25', and '30'. The characters are arranged in a pattern that is slightly tilted and overlapping, typical of a resolution test chart.

A close-up of a document with a grid of numbers and letters, possibly a code or a form. The grid is tilted and contains the following characters:

20	22	23
24	25	26
27	28	29

The characters are arranged in a grid, with the numbers 20, 22, and 23 in the first row, 24, 25, and 26 in the second row, and 27, 28, and 29 in the third row. The grid is tilted and the characters are slightly blurred.

A close-up photograph of a portion of a document, likely a form or a page from a book. The visible content includes a grid of numbers and symbols arranged in rows and columns. The numbers are printed in a bold, sans-serif font. The symbols include a large 'E' and a smaller 'e'. The overall appearance is that of a scanned document with some noise and artifacts.

A color calibration target featuring a grayscale ramp with 11 steps from black to white, labeled with numbers 1 through 11. To the right of the ramp are several color patches, including primary and secondary colors, each labeled with a number. The target is used to ensure color accuracy in digital imaging.

A close-up photograph of a portion of a barcode label. The label features several black rectangular bars of varying widths. Below the bars, the numbers 20, 22, 23, and 24 are printed in a bold, sans-serif font. The label is slightly tilted and appears to be attached to a light-colored surface.
